Our Hebrew School

In our Hebrew School we create an environment that brings Judaism to life, fosters creativity and supports your child's unique style of learning. We use a unique approach which is hands-on and stimulates your child's intellect. Our curriculum has been designed to make a lasting, positive impact on the life of your child.

Our innovative methods make learning fun and memorable.

Through our mitzvah curriculum we emphasize each mitzvah's meaning for everyday life, in addition to the how-to of ritual observance.

Our Commitment

Jewish tradition has always promoted a loving approach from one human to another. We are dedicated to making the richness of our Jewish heritage accessible to the contemporary Jew, every Jew, no matter what their affiliation or level of religious observance. No membership is required, and scholarships are available.

First Taste Program

First Taste is designed to grab a child's attention with song, art, drama and games. By exposure to the aleph-bet, Torah tales, prayer through song and holiday studies, a child gains a sense of pride and love for Judaism.

Hebrew School

This program offers a more advanced Hebrew and Jewish studies curriculum. Students learn to read and write Hebrew and gain an appreciation for the who, what, when and why of Jewish life.

Bar / Bat Mitzvah

Prepare your child for the most important day of young adulthood. The transition from child to teenager is an important milestone in any child's life. Give your child the tools he or she needs to properly navigate life as a Jewish adult

Our Staff

Our Hebrew school teachers are carefully selected for their extensive knowledge of Judaism and for their dedication to children. Each teacher lives and breathes what he or she teaches, providing the best possible model for our students. Staff members have Rabbinic ordination, extensive Hebrew language skills, and/or attended teacher's seminars in Israel, USA and Australia

Our Goal

Our goal is to offer all Jewish children an education and memories that will inspire them for a lifetime. We provide an education that instills Jewish pride, a sense of history, and a genuine and meaningful understanding of Judaism. Through this knowledge, these children grow into informed, thinking Jewish adults who will shape our communities and our world in years to come.
